

# PENNIES FOR OUR PARK CHALLENGE

THE CHALLENGE IS ON!  
NORTH CREEK & SOUTH MEADOWS

MONDAY, APRIL 15 – FRIDAY, APRIL 19  
ALL PROCEEDS GO TO REBUILDING TIMBERTOWN

Dear Parents,

As members of the Chelsea community, we're thrilled to announce an exciting initiative to revitalize our beloved TimberTown park. The "Pennies for Our Park Challenge!" Let's motivate our children to work together, taking part in improving our community.

**The Task & Lessons Learned:** Your children can bring in spare change to contribute and add to their class 'Penny Challenge Jug' at school. Every penny counts towards making a difference and instills valuable lessons in teamwork and giving back through taking part in a grassroots, volunteer effort for their community.

**Recognition:** Each grade/graduating class that raises over \$200 will be recognized via an engraved fence picket "CHS Class of 20##" that will surround the park for years to come! (\*Y5s goal is \$100.)

**Community Goal:** We need to reach \$100,000 in donations from the community in order to make this project a success. The Penny Challenge is one piece of that effort. **All community donations up to \$100,000 will be matched, courtesy of the Chelsea State Bank and an anonymous Foundation each matching \$50,000! The Penny Challenge is included in that match!**

With your generous support, we'll be able to renovate many of the outdated and unsafe structures within the park. From refurbishing existing elements like the 'Clocktower Lookout' to completely transforming 'Tot-Town' and installing several new accessible elements and poured pathways for ease of use with strollers and wheelchairs, every penny counts towards transforming TimberTown into a safer and more enjoyable space for all. **Thank you for being a part of the effort!,
